013	The role of USA and Europe
014	The preparation for a regional war: Hezbollah
015	The preparation for a regional war: Iran
016	What if Israel decides to use nuclear bombs?

Difference between April attack and now

- ❑ Some coordination between Americans And Iran on management of escalation via Oman
- ❑ Iran has rejected American and Arab efforts to tone down its response to the Israeli assassination of Hamas Political Bureau chief Ismail Haniyeh in Tehran, The Wall Street Journal reported on Sunday. Iran vows stronger response than 'Operation True Promise'. Kazem Gharibabadi, the Deputy Chief for International Affairs of the Iranian Judiciary, warned in an interview for Al Mayadeen that the Israeli occupation would face severe repercussions for its actions, such that "it would not dare to commit further acts of terrorism or violate Iran's sovereignty."

A possible scenario: the start

- ❑ An extensive coordinated attack on Israel by Hezbollah, Iran, Houti's and Iraqi resistance.
- ❑ US military defense of Israel: taking out drones and missiles
- ❑ Assess the damage by US and decide whether to strike back

Scenario 1: symbolic escalation

- ❑ If the US and Israel strike back, then the nature of the strike back determines the level of escalation
- ❑ Symbolic escalation: no serious damage to axis of resistance and things calm down

How likely is symbolic escalation

- ❑ The assassinations by Israel was approved by the US
- ❑ They plan for escalation together, not symbolic but for the final escalation

Scenario 2: the final escalation

- ❑ Use of nuclear bombs: Lebanon, Yemen, Iran
- ❑ What happens next?
 - ❑ Large scale Iranian response on civilian target: bomb Tel Aviv to the stone age, bomb American basis and aircraft carriers
 - ❑ All across Western asia: the streets get in revolt
 - ❑ Pakistan and Turkey prepare for use nukes against Israel
 - ❑ Turkey put soldiers on the ground in Israel
 - ❑ Population mobilization across Muslim countries to invade Israel
 - ❑ Russia prepares nuclear arsenal for attacking US forces in Europe

Scenario 3: before the final escalation

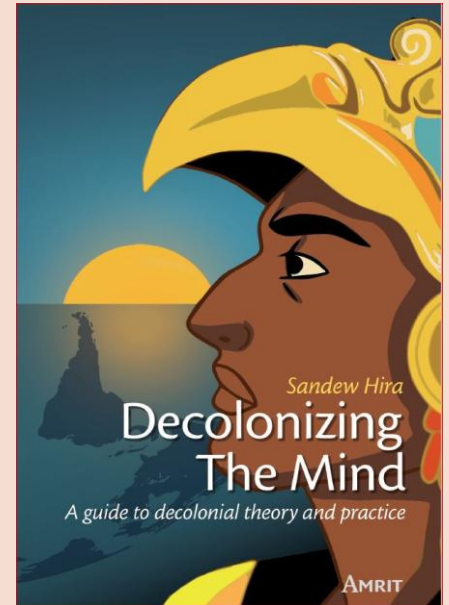

- ❑ Invasion of Lebanon by Israel
- ❑ What happens next?
 - ❑ Large scale Iranian response on civilian target: bomb Tel Aviv to the stone age, bomb American basis and aircraft carriers
 - ❑ Turkey put soldiers on the ground in Israel
 - ❑ Population mobilization across Muslim countries to invade Israel
